

HTRC Outages and Downtime

See the scheduled dates for HTRC Analytics maintenance periods, so you can anticipate these planned outages.

HTRC Analytics Status

The site is **UP**.

HTRC Monthly Maintenance

HTRC Analytics is inaccessible the second week of every month, from 7 a.m. ET Sunday through at least 12 p.m. ET Monday during routine, planned maintenance. HTRC services are unavailable during this time, including the HTRC Analytics site and Data Capsules environment. 2022 maintenance will happen on:

- January 9-10
- N/A
- March 6-7
- April 10-11
- May 8-9
- June 12-13
- July 10-11
- August 14-15
- September 11-12
- October 9-10
- November 13-14
- December 11-12

Prior to maintenance, data capsule users should make sure any data they imported or created while in secure mode that they wish to retain is stored on the drive called **secure_volume**. Please turn your capsule off ("Stop" it on your dashboard) if possible. See "Maintenance vs. Secure mode" here: <https://wiki.htrc.illinois.edu/x/UQFRAQ>
